child

sister almost blood ground longer
side red place another smoke
near chance valley spot party says stream
feet indians comrades mexico need close
horses back along horse troop waggons
soon men kin among sight taking
colonel first soon death dead
till wilder frank already
air still upon warseen guide soldiers
long towards sun chapter
take make indian behind captain danger
far around plain enough others
brother

mistress yet father mad
days old garret half life
woman to world
harry master family
man might lady thought
never sam sir
west young day
betty polly fine morning
son wife poor
even house
madam squire heart
uncle fellow
papa hands company
